In this assignment, you have to make a billing machine for the XYZ Cafe. The machine consist of a group of buttons each representing a unique dish. There will also be a different set of buttons representing the quantity. To place an order, you will have to use these buttons in combination. For example, to order 4 cups of coffee, you will have to press "4 C". The machine will generate a copy of the bill for the customer and also add the amount of the order in " Total earning". So, at the end of the day, the owner can see how much he made in sales. The buttons and their corresponding dishes are mentioned below:

1. C: coffee, 40rs
2. D: dosa, 80 rs
3. T: tomato soup, 20rs
4. I : idli , 20rs
5. V : vada, 25rs.
6. B: bhature &chhole, 30rs
7. P: paneer pakoda, 30rs
8. M: manchurian, 90rs
9. H: hakka noodle, 70rs.
10. F: French fries, 30rs
11. J: jalebi, 30rs
12. L; lemonade, 15rs
13. S: spring roll, 20rs

Press "End" For closing the day.
